BOXERS AWAITING SOUND OF GONG

When referee Jim Fox calls McFadden and Castro to the center of the ring tonight, those who have been fortunate enough to secure a seat, will see two of the hardest little fellows who have ever stripped before the Honolulu public. Both these men are in prime condition and fit to box their utmost to the end of the contest.

This will be the first appearance of McFadden in a local ring and his work will be watched with interest. He is one of the best 'Frisco has ever produced and the people here are lucky to have a chance to see this remarkable lad in action.

JACK McFADDEN.

McFadden was seen yesterday at the club as he had just finished training and said: "I understand that Castro intends to rush matters. If he adopts these tactics I will win in short order." O'Mara, the crack trainer, will be behind McFadden.

Castro was never in better condition for a "go" in his life. He has worked hard and faithfully and in the event that he is beaten it will be because McFadden is the better man.

JOE CASTRO.

Both men are down to weight 126 pounds, neither one has had much trouble in getting to the stipulated figures.

The man who wins this contest will be the featherweight champion of the Islands.

A comparison of the measurements of these two men shows that they are very evenly matched. The following are the measurements of McFadden and Castro taken in condition:

McFadden—Height, 5 ft. 4 in.; reach, 68 in.; chest, 34 in.; waist, 29 in.; thigh, 18 in.; calf, 13 in.; wrist, 6 in.; biceps, 12 in.; weight, 126 lbs.

Castro—Height, 5 ft. 1 in.; reach, 66 in.; chest, 36 in.; waist, 29 in.; thigh, 19 in.; calf, 14 in.; wrist, 6½ in.; biceps, 13 in.; weight, 126 lbs.

Extensive preparations have been made to accommodate the crowd that is sure to be there. A quietest club will be on hand to furnish music during delays.

The first contest will start promptly at 8:30. Seats can be had at Woods & Sheldon's up to 6 p. m.; from then

HIGH SCHOOL WAS VICTOR

Victory seemed just ready to perch on the Mills banners yesterday afternoon until a disastrous fumble followed by quick work on the part of the High School eleven gave the last football game for both teams this season to the latter team by the score of six to nothing. It was a hard fought game from start to finish and if it had not been for her disastrous fumbling Mills would have won by a reversal of the above score. Mills was held for downs but once during the entire game while her opponents were held several times. Mills rushed the ball much farther than the High School but could not hold on to the ball at critical moments. This fumbling is undoubtedly due to the fact that the Mills team has no team to line-up against them for practice regularly which is certainly a detriment in the training of a successful team.

The game was clean and fast from start to finish. There was some offside but remarkably little for young teams. High School showed some ability in running the Mills ends while Mills did its best work in heavy plunges through the line. Akina, the Mills full is a phenomenal line bucker and would be a credit to any of the interscholastic league teams. Time and time again he smashed through the opposing line, often with practically no support, wriggling and squirming along for several yards after he was tackled. His team mates all played good ball.

High School had a good kicker and with the exception of one kick that was blocked and one of Akina's punts his kicking was superior to that of the Mills man. High School did a little line bucking but their longest gains were around the ends. The team held on to the ball better than their opponents and it was this that gave them the game. They played a clean game and showed themselves a first class team.

THE GAME.

At 3:10 High School kicked off and Mills started the ball back by bucking the line. High School seemed unable to hold them until the forty-yard line was reached when a fumble by Mills gave them the ball. High School started in with a rush and pushed the ball down the field until they lost it on downs on the Mills thirteen-yard line. The ball seceded about in the Mills half of the field the rest of the half with Mills getting somewhat the better of the yardage.

Mills kicked off to the High School who were defending the Walkiki goal at the beginning of the second half. The ball was pushed by the High School up to the Mills forty-five-yard line and there lost. Mills made her first down once and then occurred the play that gave the game to the High School. Ah Miu called the signal for left end around the right but passed the ball high. Chin Man fumbled and White of the High School, who had broken through the line caught the ball and ran fifty yards through a clear field to a touchdown. Goal was kicked. On the next kickoff Mills ran the ball into the High School territory and it looked as if they might score but a fumble lost them their chance and the remainder of the game resolved itself into a punting duel between Akina and the High School kicker.

Following is the line-up:
Mills—Lee Chuck, r.e.; Gun Fook, r.t.; En Sing, r.g.; Ah Ngok, c.; Ah Kan, l.g.; A. Akina, l.t.; Chin Man, l.e.; Tai Sai, r.h.; Sing Lee, l.h.; Ah Miu, q.; C. Akina, f.
High School II—Schoening or Smith, l.e.; J. Nott, l.t.; Dow, l.g.; Perry, c.; Seichi or Chilton, r.g.; King, r.t.; Oss, r.e.; Johnson, l.h.; White, r.h.; Mani, q.; Hayes, f.

Referee, Anderson (Amherst); umpire, Withington (Pomona); lines-man, Logan (Oberlin); time of halves, 15 and 20 minutes; touchdowns, White, 1; goals kicked, High School II 1; score, High School II 6; Mills, 0. Attendance, 150.

Many ladies compel their mirrors to bear silent witness to needless hair destruction. Day after day they see beauty and attractiveness despoiled by the removal of great combfuls of slightly diseased hair that could be saved. If your mirror could talk it would plead with you to "save your hair—not the combings." It can be done with Newbro's Herpicide which kills the microbe that causes dull, brittle and lusterless hair, also dandruff and falling hair. Destroy the germ and the hair's natural luster and abundance will return. Marvelous results. An exquisite hair dressing.

SWIMMERS IN FINE FETTLE

When the starter announces "Get on your mark," three of the fastest swimmers on the islands will toe the scratch. Each of the contestants for this championship affair have reputations to uphold and they are looking to do the best that is in them. Carill, who passed through Honolulu on the Sierra, has challenged the winner and wishes to swim when he arrives here on his way back to the coast. He was swimming with Renear yesterday and said: "That man is certainly a crack and I would have to extend myself to the limit to defeat him." Dan nau a chance to see that new and wide-heralded stroke. It is certainly fast and Kopke will have an advantage with it. Kimokeo is training out near Diamond Head. He promises to surprise all and don't care what stroke the other two boys use. He is satisfied with the good old Hawaiian style. This race will start sharply at 4 p. m.

Following the 100-yard race the relay teams of the Myrtle and Healan Boat Clubs will race. The course will be 300 yards swam in 50-yard relays. Two pontoons will be anchored between the Bishop slips and will be used as the lines and starting places. The team representing the Myrtles are: E. W. Kopke, Frank Bekert, Geo. Crozier, Tom Honan, Will Lyle and John Lishman.

For the Healanis: Dan Renear, Bert Webster, Jess Woods, Geo. Freeth, Bill King and Bert Heilbron. O. Sorenson will act as starter; C. L. Crabbe, Tom King and Wm. Harris as time-keepers; Wm. Soper, S. A. Walker and Mana Wideman as judges.

PLANTERS HEAR REPORT.

(Continued from page 5.)

This is perhaps even more true in Hawaii than on the mainland, because with us the most important industries are, as has already been pointed out, dependent upon the forests. There exists in this Territory a strong public sentiment for forestry, created and fostered by the leading and most influential men. With such backing the permanence of this Territory's forest policy is practically assured.

RALPH S. HOSMER,
Superintendent of Forestry.

Ralph S. Hosmer, Esq., Superintendent of Forestry, Territory of Hawaii.

Dear Sir:—May I acknowledge yours of even date, in which you bring out some very good reasons why the forest reserves can be better administered under Government control than under private? In this I agree with you, and I believe the publication of this correspondence will be of benefit to all.

G. R. CARTER, Governor.
